

TAKE THE WHEEL

We welcome young people looking to get their learner's permit within the next 12 months for the first time, to join our "Take the Wheel" group!

Our Take The Wheel groups focus on the development of different driving skills, including a driving simulator game and fun activities to develop pre-driving knowledge.

You'll develop the driving readiness skills to identify key observations in a driving environment. These include developing speed of movement and reaction times and improving basic knowledge of driving before getting behind the wheel of a car.

Where

32 Burton Street, Cannington,
6107 – Zenith Training Room

**Register your interest
at [superyou.org.au/
take-the-wheel-group/](https://superyou.org.au/take-the-wheel-group/)**
